Instructor Signature:			Date	
Office Use Only				
Area Chair Signature:			Date	
Undergraduate Chair Signature:			Date	

Make sure you and your faculty advisor(s) have signed the form. Then scan and email or drop off with your academic advisor.
Workload: When calculating the number of credits, the student should spend 3 hours per week per credit hour. For example, a student signed up for 2 credit hours for the 15 weeks of class would need to spend 6 hours per week (90 per semester).
